Sir,

Subject:- Special establishment sanctioned for foodgrains acquisition work - continuance of - - -

In continuation of my letter of even number dated 5-4-45 on the above subject, I have the honor to state that the Deputy Commissioner, Mysore District, reports that in the taluks of Chamarajanag Krishnarajanagar and Nanjangud for which special officers, Harvest Acquisition were appointed, there has been considerable improvement in the progress of acquisition due mainly to the strenuous efforts of the Special Officers. He states that the Vaisakhi crop of paddy is likely to be harvested in a few weeks and that the harvest of Jola commences from the month of August next. For these reasons he requests sanction to the continuance of the posts of the three special Officers for a further period of one year.

2. In the circumstances explained by the Deputy Commissioner I request that ~~sanction~~ in modification of the proposals contained in my letter dated 5-4-45 under advertance, sanction of Government may be kindly obtained to the continuance of the posts of three Special Office Harvest Acquisition for the taluks of Chamarajanagar, Krishnarajanagar and Nanjangud in Mysore District till the end of June 1946.

3. A copy of letter No.CS.3.737/44-5 dated 7-5-45 in the matter received from the Deputy Commissioner, Mysore is enclosed for the information of Government.

Dated, Mysore, the 7th May, ... 1

Deputy Commissioner, Mysore District,
MYSORE.

To

G. SUNDARA RAO, Esq., B.A.,
Director of Civil Supplies in Mysore,
BANGALORE.

SIR,

I have the honour to state that three special officers, Harvest Acquisition, have been appointed in this District for the Taluks of Nanjangud, Krishnarajanagar and Chamarajanagar, as per Government Order. The term of their appointment expires by the end of June 1945. The following statement indicates the quantity of paddy acquired in these taluks up to end of May 1945:

Taluk.	1944-45 (Up to end of May 1945)	1943-44
Chamarajanagar.	10,863 pallas.	3,386 pallas.
Krishnarajanagar.	1,71,173 pallas.	1,66,439 pallas.
Nanjangud.	79,034 pallas.	67,457 pallas.

It will be seen therefrom that the progress of acquisition in these taluks is remarkable compared with that of last year. This is mainly due to the strenuous efforts of the special officers. Acquisition work in the important paddy growing areas requires a responsible officer of the status of the special officers to work under the Amildars. The Vaisakhi crop of paddy is likely to be harvested in a few months and the harvest of Jola commences from the month of August next. For these reasons, the continuance of the post of the three special officers is quite essential, in this District. I therefore request that sanction of Government may kindly be obtained to the continuance of the posts of the three special officers for a period of one year, beyond June 1945.

I have the honour to be,
S i r,
Your most obedient servant,
